# summer mini camps

run 9am-12pm mondays-wednesdays for consecutive 2 week sessions

Meeting the developmental needs and interests of children ages 3 - 8, our camps offer creative, fun-filled activities that excite and engage campers!

- professional educators, assistant teachers and CITs, allow for a low teacher-to-camper ratio
- programs are geared for hands-on exploration and provide open-ended opportunities for children to build understanding and knowledge
- our flexible schedule allows you to choose just the sessions you want, or enjoy them all!

**Each session is \$145 for members, \$160 for non-members, and includes a t-shirt. SAME PRICE AS LAST YEAR!**

## mini camp for minis

### NEW THIS YEAR FOR 3 -YEAR OLDS!

*Is your child ready for a drop-off program? Mastered separation anxiety? This program is designed to meet the developmental needs of three-year olds. This drop-off camp program will offer lots of opportunity to work with a larger group, but will have plenty of staff to ensure the one-on-one time connection three-year olds crave. Great experience? Consider signing up for another session! Child must be independently toilet learned.*

#### 1 Size it Up!

*Monday, June 21 - Wednesday, June 23 & Monday, June 28 - Wednesday, June 30*

Big, bigger, biggest! Your child will have so much fun learning about size. Jam-packed with music, paint, and get up and move games—it is our biggest camp for your little one!

## great explorations ages 3-5

*Is your child ready to be dropped off and join our group? Led by highly qualified staff, these multi-aged camps are packed full of fun, and will offer more opportunity for camper-directed interests and choices. All activities will be geared to your child's developmental skills. Child must be independently toilet learned.*

#### 1 Staycation

*Monday, June 21 - Wednesday, June 23 & Monday, June 28 - Wednesday, June 30*

Pretend you are there! Visit faraway places without ever leaving the Museum! Using our five senses, we will explore a different land each day, sampling some exotic foods along the way!

#### 2 Books Come Alive!

*Monday, July 5 - Wednesday, July 7 & Monday, July 12 - Wednesday, July 14*

Characters will come to life at camp as we read, act and make crafts that real authors write about. We will try some favorite authors' illustration techniques and create our very own, one-of-a-kind original story to take home.

#### 3 Back to the Farm

*Monday, July 19 - Wednesday, July 21 & Monday, July 26 - Wednesday, July 28*

Roll up your sleeves and learn how a farm runs. Join us for a tractor-load full of fun projects and games!

#### 4 Wonderful World of Water

*Monday, August 2 - Wednesday, August 4 & Monday, August 9 - Wednesday, August 11*

Water brings a new coolness to crafts, musical instruments, tricks and science experiments! Join us for loads of fun and cool activities! Caution: we may get a little wet in the process.

#### 5 Dig In!

*Monday, August 16 - Wednesday, August 18 & Monday, August 23 - Wednesday, August 25*

Buried treasure, bones, bugs ... there is so much to uncover! Each day we will find out what is really going on underground with special tools and magnifiers.

## camp discovery ages 6-8

*These camps are geared to hands-on learning and uncovering the answers to questions that curious early elementary students have. There are no Session 1 or 5 camps for this age group.*

#### 2 Blast Off!

*Monday, July 5 - Wednesday, July 7 & Monday, July 12 - Wednesday, July 14*

We'll launch rockets, soar planes and defy gravity. We'll do a few out-of-this-world challenges too. You won't want to miss out on six days of science discoveries!

#### 3 ARTchitecture

*Monday, July 19 - Wednesday, July 21 & Monday, July 26 - Wednesday, July 28*

Roll out the blueprints and see how buildings and houses are built. Design a mini dream space; sketch, paint, and see art all around us.

#### 4 Team Green

*Monday, August 2 - Wednesday, August 4 & Monday, August 9 - Wednesday, August 11*

Harness the Earth's power—make a mini solar oven to cook up a tasty treat, make a rain gauge, compost with worms and create your own paper.
